Financing is available for all treatment options, medications, surgery, tubal reversals, genetic testing and donor sperm. Financing with Mid-Iowa Fertility allows you to include all costs into one payment, including pharmacy, surgery centers and genetic lab.

* APR is Annual Percentage Rate. Rate is fixed (non-variable). Interest rate is based on credit score, capacity to repay and approval. No prepayment penalties. Mid-Iowa Fertility offers closed-end personal installment loans for the terms listed above only. Mid-Iowa Fertility does not offer credit card financing through the Platinum Financing program.
