

Mid-Iowa Fertility & Cryoport Systems Partnership Announcement

Dear Valued Patients,

We are excited to announce a new partnership with Cryoport Systems, a leading provider of specialized supply chain logistics solutions for the life sciences industry. This collaboration is designed to enhance your fertility journey by providing convenient and cost-effective transportation options for your precious samples. Click [here](#) to learn more about their risk-mitigating solutions.

To streamline this process and ensure you receive the best possible rates, we kindly request that all transportation requests for your samples be placed through Mid-Iowa Fertility. Our dedicated team will coordinate all shipping arrangements with Cryoport Systems on your behalf.

By utilizing this partnership, you will benefit from discounted shipping rates and peace of mind knowing that your samples are in expert hands with the industry leader in safe and standardized transportation solutions.

We understand that this change may require some adjustment, and our team is available to assist you with any questions or concerns you may have. Please don't hesitate to contact our patient care coordinators at **515-348-6609** or hannah@midiowafertility.com.

Thank you for choosing Mid-Iowa Fertility. We are committed to providing you with the highest level of care and support throughout your fertility journey.

Sincerely,

The Mid-Iowa Fertility Team
